May 2022

In preparation for the 2022-2023 school year, please find our attached IDEA contract to be approved by your school district.

Please complete this contract as soon as possible and return it to our office to allow us to effectively plan implementation of the chosen services. If you have any carryover from the 2021-2022 school year, please include this on the contract.

Our experience has led us to believe that it is best to select a multitude of services in order to facilitate any unforeseen service and prevent the need for an amendment.

We continue to appreciate your district's support and look forward to another successful school year.

Thank you,

Danielle Russo
