

## **2018-2019 Board of Education Goals**

The Franklin Lakes Board of Education will:

1. Support a smooth transition to Interim Superintendent for the District
2. Work to settle FLEA contract and improve morale throughout the District
3. Begin the process to hire a permanent Superintendent, and support the CSA process to hire a Director of Special Services and other key personnel positions
4. Enhance community relations through website improvements and exploration of multi-media communication strategies (Twitter, Facebook, board documents and policy platforms)
5. Maintain focus on student achievement in the classrooms
