

## 2020-2021 Board of Education Goals

1. Engage the community in more robust forms of communication inclusive of website enhancements, social media platforms and district and school-based communications focused on transparency and relationship building.
2. Engage students in the development of the Social Emotional Learning core competencies including health, wellness and social awareness.
3. Support staff and students in the continued implementation of 5-8 curriculum (enVision Mathematics) and initial implementation of the K-4 curriculum (enVision Mathematics).
