FRANKLIN LAKES BOE

OCT 24 2017

RECEIVED

Dr. Furnari & Members of the Franklin Lakes Board of Education:

On behalf of our CRS PTA membership, it is with great pleasure that we ask you to accept the following gifts to Colonial Road School:

**345 New Hangeros ChairPockets:** These chair pockets encourage students' organizational skills, enabling them to keep work and classroom supplies close at hand. New Hangeros were purchased for every K-5 classroom seat, as well as for several CAPS classrooms. (cost: \$4,661)

**Classroom Magazine Subscriptions:** CRS PTA is funding *Let's Find Out* for K classrooms, *Scholastic News* for K-5 classrooms, and *Science Spin*, *Super Science* and *Storyworks* for 4th and 5th grade classes. (cost: \$2,455)

**Dismissal Notepads for All Families:** Easy-to-complete notepads were designed as a complimentary gift to all CRS families to help make changes in dismissal plans easy to communicate to CRS faculty. (cost: \$509)

**New Stuffed Animals for the CRS Library:** Research has shown young children build confidence by reading with a stuffed animal in hand. The PTA purchased all new stuffed animals and puppets for the CRS library, including giant lions and tigers, plenty of smaller creatures, and literary characters from *Mo Willems*, *Lilly's Purple Purse*, *Max & Ruby*, *Humpty Dumpty*, *Paddington* and more. (cost: \$500)

We look forward to continuing to share news of our contributions throughout the year!
