

May 2023

In preparation for the 2023-2024 school year, please find both our 192/193 and IDEA contracts attached, to be approved by your school district.

Please complete these as soon as possible and return them to our office to allow us to effectively plan implementation of the chosen services. If you have any IDEA carryover from the 2022-2023 school year, please include this on the contract.

Our experience has led us to believe that it is best to select a multitude of services in order to facilitate any unforeseen service and prevent the need for an amendment.

We continue to appreciate your district's support and look forward to another successful school year.

Thank you,
