<b>K-5 Social Studies</b>									
<b>GRADES K-5 SOCIAL STUDIES</b>									
<b>Phase 1 Project Goal</b>									
<i>Committee members will:</i>									
develop understanding of the NJSLs 2020 standards for S.S.									
support development of K-2 and 3-5 course progressions as per the NJSLs 2020.									
Collaborate with the full committee and utilize shared criteria to evaluate and recommend an NJSLs-aligned curricular Resource for K-5.									
<b>Phase 2: Project Goal</b>									
BOE Approval required by NJDOE requirement by 9/1/2022.									
<i>Committee members will:</i>									
Write full-year K-5 course curriculum aligned to the NJSLs 2020 for SS.									
Scope or work also includes: development of multidisciplinary Climate Science/ Climate Change units in conjunction with Science curriculum, ELA interdisciplinary connections, benchmark assessments, and review/ updates of all NJ curricular mandates and requirements.									
<b>6-8 Social Studies</b>									
<i>Committee members will:</i>									
Support development of 6-8 course progression in SS as per the NJSLs 2020 for grades 6-8.									
Revise full year course curriculum aligned to the NJSLs 2020 for SS.									
Scope also Includes:									
development of multidisciplinary Climate Science/ Climate Change units (in conjunction with Science curriculum)									
interdisciplinary connections (ELA)									
benchmark assessments, and									
review/ updates of all NJ curricular mandates and requirements.									
*Revisions to MS Social Studies may also influence revisions made to support required 6-8 Personal Financial Literacy and Middle School Civics (Laura Wooten's Law: equivalent of minimum ½ year Civic Education course in grades 6-8).
