

School District Satisfaction Survey

School District Satisfaction Survey Directions

As part of our ongoing initiative to improve the Franklin Lakes School District, we have developed a School District Satisfaction Survey for our elementary schools and ask that you participate.

You are invited to take the survey once for each elementary school that your children attend. For example if you have a child enrolled in the Bright Horizon's Pre-K program at HMR, and another child attending CRS or WAS, please fill out one survey for each school.

Please read each question carefully and select from the rating scale the option that most closely indicates your feelings about the climate in your child's school.

Your answers are confidential and will be combined with those of other parents to help us improve our District.
